Dear Cousin:

I appreciate the corrections you recently gave me for your entry in the Supplement. I can not include the additions you gave me because the families involved are not members and you well know they must be.

In fact, the families of three of your children will be deleted because they have not responded to my pleas to pay their dues.

I'll do no further corresponding on this subject.

Sincerely,

Merwyn

Dear Cousin:

Thank-you for all of the information on your fine large family.

I have attempted to draft an entry for only your son Robert Earl's children. From the enclosure, you can see what information is lacking. Most of it has to do with ~~go~~ the spouses of his children. If you will give me the addresses of each of your grandchildren, I'll write them for the missing statistics and their biographies and I must ask each of them to join our association. Unless they are interested enough to join, their families won't be in the Supplement anyway. You may, of course, do all this work yourself as you please. If you want to handle it, I'll draft the entries for your other seven children so you may see what is requirid to complete their entries.

I'm puzzled about William + Jacqueline's children - are they all natural children of William? If they are not his, I'll need to know their parents' names.

Let me know how you wish to handle this.

Best regards,

Merwyn

Will you please ask your daughters Sharon, Catherine and Patricia to send me brief biographies of themselves and their husbands.

I have written your son Edwin twice requesting his biography but have received no answer. He has also allowed his membership to lapse for non-payment of dues. We must have $10.00 from him to reinstate him. Otherwise, I may not include his family in the Supplement.

If I do not receive this information and Edwin's reinstatement by February 28th, I'll complete the entries without the biographies and Edwin's family.

Dear Cousin:

As you may know, we are in the process of updating family entries with the view to preparing Volume III of The Merwin Family in North America.

All members of the Association of the eleventh generation will have an opportunity to update their family entry and have the update included in Volume III. This includes the names and birth dates of your children. If, however, your children wish to have their wife and children in Volume III, they must become members of the Association. Will you please check with each of your children and, if they are interested in having their families in Volume III, ask them to send me a check for $10 payable to Miles Merwin Assn. for annual dues. I shall then contact them for information.

Please look at you entry in Volume II to see if any change is required. If so, write me and I shall include the change in Volume III.

Best regards,

Merwyn R. Buchanan

Dear Mrs. Swift,

Thank you for your check in the amount of \$5.00 along with a note asking that dues for your grandsons be billed to you.

We show Michael, with the same address as yourself, as a member but I do not find Mark's name. Did you mean for them both to be members? I have applied your check to Michael's dues (dues are $\$5^{\underline{00}}$ per year) so he is uptodate. If they are both to be members and receive mailings, newsletters, etc., an additional $\$5^{\underline{00}}$ will be required together with current address.

With best wishes of the holiday season

Re: ENROLLMENT

Dear Mr. Buchanan:

Thank you for your letter of November 17, 1981.

In accordance with your suggestion, I am enclosing my check in the amount of $2.00 for the enrollment of my grandsons. Please enroll Michael Swift as having paid for this enrollment. I understand that this will also entitle Mark to be enrolled.

It is not necessary to send newsletters to the children at this time but perhaps in the future.

Also, please send billings to me.

Thank you again.

Best regards,

Anna Swift

Dear Cousin:

Thank you for your letter of November 12th.

You said you wanted to "pay to have your grandchildren enrolled". We just feel that a person not born a Merwin should be interested enough in our association to be a member to have his spouse and children included in the Supplement. Obviously, your son can not be a member and, I presume, his ex-wife is not interested. I do not think it necessary to enroll both of your grandsons. Let me know which one you would like to sign up and I'll include both children. Send me a check for $2.00 payable to Miles Merwin Assn. Also, do you want us to send him newsletters, etc.?

Best regards,

Merwyn

Dear Cousin:

It is a pleasure to add your three other sons to our membership role.

You tell me there is no way to fill in the missing information about Yolanda and Margaret. OK, I accept that. However, Ronald should be able to tell me where (city + state) he married Margaret and Keith should be able to say where he married Yolanda. If you'll give me this data, we can fill in those blanks.

Best regards,

You did a great job on your three sons' family history records!

There are a few blanks and these can only be filled in by your sons' wives. Will you give me the present address of Yolanda, Keith's wife, and Margaret, Ronald's wife? I'll gladly write them for information. They should be completely identified for the sake of the children.

To join, just send me a check payable to Miles Merwin Assn. for $6.00 ($2.00 annual dues for Ronald, Charles and Keith. Gary, as you know, is already a member.

Sources of Information (a,b,c, etc.) The historical value of the Merwin genealogy will depend on the reliability of the information in it. Therefore please report known sources of data - letters, family bible, church records, town birth and death records, census, probate and land records, local histories, newspaper clippings, etc.

Personal History. Include principal places of residence and dates, business or profession, education, military service, church affiliation, and other special activities and interests. Include noteworthy items about wife or husband and unmarried children. Married children should have their own family record forms; additional forms will be sent on request.

We have lived at 1940 Havana SW, Wyoming, Mi. for 5 1/2 yrs. We bought the house in March of 1975.

We became born-again Christians on June 6, 1976 and are members of Wyoming Park Baptist Church. Gary and Debbie are very involved in their church and in working for the Lord.

Gary's interests are playing the guitar and learning sign language with the possibility of working with the deaf.

Debbie's interests mainly concern taking care of her family & home & redoing & re-decorating furniture and rooms. Debbie is a highly motivated person with lots of ideas to keep herself busy.

Matthew is a lovable & typical 3 year old, who keeps us laughing.

Jaime is a lovable & typical 10 mo. old, charming little girl.

Your Family Tree. Are you doing research on all branches of your family tree? No If so, please report for inclusion in the genealogy any distinguished persons of other family names who are ancestors or descendants of Merwins, and those who would provide ancestry for patriotic association membership.

I talked to Charlotte this morning, and found out which line she is descended from:

3693 Charles Oscar^{9} Merwin - page 786

and

4706 Ralph Huntington^{10} Merwin - page 962

Charlotte told me that her brother Ralph John Merwin (MNA member) has all the records of their family. She also said that her brother Ralph John was planning to attend the Merwin Reunion in Milford and contact you people personally. However, she did not make it clear whether this was to be in 1982 or 1983. Perhaps he has already contacted you. If not, his address is on page 962.

This information will, I am sure, save you some long-distance calls.

I have enjoyed doing this as I had a very nice chat with Charlotte.

Sincerely,

THIS WAS SENT TO US BY MRS. LEONNA JACOBS, TUNNEL, NEW YORK.

COPY OF NEWSPAPER CLIPPINGS FOUND IN AN OLD SCRAPBOOK
that belonged to Della Fairchild of Harpursville.
Mrs. Fairchild died Dec. 30, 1963

Died, in Prattsville, Oct. 19, 1896, Ester Merwin, aged 62 years, 1 month and 5 days. Deceased was a daughter of Henry W. Shoemaker and had long been a resident of this village, residing of late years with her daughter, Mrs. Martin Chamberlain. (From Prattsville Advocate).

She formerly resided in this village (Harpursville) some forty years ago, and was a step-mother of Butler Merwin.

****

Mattison S. Merwin died at this place (Harpursville) on Tuesday morning, aged 78 years. Funeral will be held tomorrow at 10 o'clock. Dated 1886.

****

Butler Merwin died on Sunday from injuries received by being hit by a locomotive.

Last week mention was made in the Budget about Butler Merwin who, while returning home from South Nineveh on Monday, March 2nd, caught his foot in a cattle guard rail and, while in that position, was hit by an engine which pushed the foot out. His injuries, which at first seemed slight, proved fatal, for he gradually grew worse and died on Sunday morning at 10 o'clock. An examination showed that his spine was injured by the shock which caused paralysis to set in, from which he died.

James Butler Merwin was born at Guilford, Chenango County, N. Y. Oct. 20, 1819, being the son of Morris Merwin, and grandson of Daniel Merwin, one of the first settlers of this section. His parents came to Harpursville when he was a boy. Here he grew to manhood; and at one time was engaged in mercantile business in the building now occupied by F.L.Clark. He afterwards removed to Illinois and at the beginning of the rebellion enlisted in Co. G Reg. Ill. Volunteers, serving as Orderly Sergeant under Col. Robt. G. Ingersoll. He was formerly a member of the Episcopal church and had served in the capacity of various offices. He returned to Harpursville nearly a year ago and has since resided with his cousin, Orrin B. Merwin. He had expressed a desire that he might die here and be buried by the side of his mother in the Harpursville cemetery; at which place his remains were laid at rest Tuesday afternoon. The deceased leaves no family, he having never married.

(Note: The above clipping bears no date. Other clippings on the same page are dated 1901)

****

Another dated May 4th, 1900 reads; Mrs. O.B. Merwin died at her home in this village (Harpursville) on Sat. at the age of 54 years. The funeral was held Mon. afternoon at four o'clock, Rev. H.M.Brown officiating. Undertaker J.A.Kark had charge of the service and interment was in the village cemetery. She is survived by a daughter, Mrs. R.I. Pine, two sisters, Mrs. Harvey Parsons of Perch Pond Hill, and Mrs. L.O. Judd, of Welton Street, one brother, George Marenus, and an aged mother.

****

Note: It appears, from this book, that Merwin Settlement was, at one time called "Unitaria".

****

Died at Cascade Valley--Lucinda (Merwin) Truesdell, wife of George W. Truesdell who was born at Merwin Settlement in 1842 and died in 1910, at Harpursville. The date of her death is not given. **********************

Oct.1920- Orrin B. Merwin, aged 86 yr. died at the home of his daughter Mrs. Russell Pine. Rev.f.l.Davis of St.Lukes church officiated. Burial in Riverside cemetery.

Dear Cousin:

Here are the records on my children and what information I could get on Robert Lee's children. After I talked with you the other night, I called Bob's widow and she said, very explicitly, "Tell them to get lost!" Consequently, I have run into a stone wall.

As a sidelight, my wife Madeline has been accepted for membership in the Society of Mayflower Descendants, tracing her line back to Isaac Allerton who came over on the Mayflower. We will be submitting our children and grandchildren for membership in the Society sometime this winter.

We do have some corrections in the original Merwin book:

Page 171 and 332 - #1096 - Madison S. Merwin:

> The information we have sent to you from the Montgomery Geneology (published 1926, and copy of relevant pages enclosed) shows his proper name to be Matterson, and he also went by the name of Matson. We have verified this by seeing a record of his death in the Colesville, N.Y. town records. We understand he was a blacksmith.

Page 725 - Florence May Merwin #4353, dau. of Elbertus Montgomery Merwin #3348

> Her husband's name is Floyd W. Ledger - not Lodger
>
> Her address is now 346 Arvada, N.E.
> Alberqueque, New Mexico 87107

Hope this information helps you.

Dear Folks:

Nice talking to you last night. Enclosed is a re-write of your family entry. (I'll fill in the children's entries later).

Please give me any correction or addition you wish.

Perhaps if you would give me your brother Robert's address, I could send him a copy of Milestones to remind him we are here and waiting for his data? His wife I mean — I see now he is deceased.

Best regards,

Merwyn

Dear Morris;

William Kinsman wrote in last April saying that he had talked to you on the phone and he joined our association.

I wrote him April 20th and July 23rd and got no reply. In fact, the July 23rd letter was returned to me marked "no such number". However, the letter from him was addressed from 6347 Grandview, Detroit MI 48228 and that is where I wrote. Can you help me track him down? Do you have his phone number?

Any help you can give me will be much appreciated.

Best regards,

Dear Cousin:

I wrote you on April 20th and again July 23rd asking for a few details needed to complete your family entry for the Supplement.

As a workman, I take pride in a job well done — writing each entry as completely as possible. For this reason, I am writing again. I also tried to get your phone number to call you, but your number is unpublished. There is, however, a limit to the time and expense I can put into this attempt. If I receive no reply from you by November 30th, the entry will be considered finished as is.

Sincerely,

Merwyn

into being. At a Milford Town Meeting in October 1888, a committee of prominent citizens was appointed which, together with a committee appointed by the First (Congregational) Church, was asked to decide on an appropriate memorial to commemorate the 250th anniversary of the founding of Milford in 1639. These Committees concluded that a bridge would be an appropriate monument to the original and other early settlers, many of whose gravestones (if any) had long since disappeared. Abbott states that "interments until about 1661 were made in the pastor's garden, probably on the present Prospect Street" which runs along the western border of the present cemetery. It is also believed that many early burials were unmarked in order not to alert the Indians on how many had died. In any case, as noted in the Associations's recent pamphlet, the gravestone of our immigrant ancestor, Miles Merwin (1623-1697), is one of the oldest in the Milford cemetery even though he died almost fifty years after the founding of the town.

Following up on this recommendation, a special Town Meeting in March 1889 authorized the construction of "a stone arch bridge over the Wepawaug River near Fowler's Mills", appropriated $3,000 for this purpose, and levied a special tax of "3 mills on the dollar" to raise the necessary funds. This was intended to cover only the bridge. The tower, the memorial stones and the inscriptions were to be paid for by private subscriptions, and in many cases this was done by direct descendants of the settlers. The contractor was given four and a half months to complete the bridge. He apparently was pretty much on schedule, for in an October 1889 Town Meeting, after the bridge had been completed, it was reported that the special tax had raised $3,150, and that expenditures on the bridge had come to $3,091.50. The bridge was widened in 1929 to accommodate increased traffic.

The round tower is on the upstream side of the west end of the bridge. Beside the door to the tower is a stone in memory of Ansantawae, chief of the Wepawaugs, showing his mark with which he signed the deed to what is now the center of Milford. The memorial stones number 54, of which 29 are in memory of the "free planters" (who had to be church members), seven bear the names of other first settlers who were not church members, while 14 memorialize the so-called "after planters" of whom Miles Merwin was one. (We have no record of who provided the money for Miles Merwin's stone; if any of our readers have information on that point, we would be glad to receive it). As part of the Founding Families celebration last July, a stone plaque bearing the names of the 15 planters and 55 after planters whose names were not on the stones of the Memorial Bridge was erected on the green just east of the bridge.

OCTOGENARIAN MERWINS

A new member of our Association, Jerry Woodworth of East Jewett, New York, tell us he has in his possession an interesting book which is entitled Ye names and ages of all YE OLD FOLKS in every Hamlet, City and Town in YE State of CONNECTICUT, now living, with Ye sketches of TWENTY LIVING CENTENARIANS written in 1884 by Frederick Nash-Westport and printed by Price Lee & Co. in New Haven, CT.

This publication lists all of the persons residing in Connecticut in

5401. Colleen Joy [11] Merwin b. 13 Apr 1958, bap. 1 Jun 1958 in Grand Rapids, MI; in 1989 living at 2437-40th St., Hudsonville MI 49426. On 4 Feb 1977 in Grand Rapids, mar. Richard Bruce Hills b. 10 Apr 1956 in Grand Rapids, a son of Richard Bruce & Patricia Ann (Waters) Hills. They have no children.

Colleen Merwin Hills graduated from Hudsonville High School and is currently employed as a cashier. Her husband graduated from Union High School, Grand Rapids and is currently employed as a factory worker. They are members of the Methodist Church.

1884 that were eighty years of age or older. Over 6,000 names were listed. Among them were five Merwins, as follows:

Name	Age	Location
Steven	93	Milford
Samuel C.	83	Milford
Sara	94	Fairfield
Hezekiah	80	Middleton
Eliza	80	Middleton

Just for the fun of it we looked in Volume I of The Merwin Family in North America to see if we could identify any of these persons. Could Samuel C. be MFNA 1163 Samuel Carrington [7] Merwin of Milford? He was living in 1884 and 82/83 years of age. Was MFNA 454 Sarah [6] Merwin b. 14 Mar 1793 (p.77) be this Sara? For Hezekiah, on page 281, I found MFNA 858 Hezekiah Bradley [7] Merwin b. 12 Aug 1806; d. 13 Oct 1887.

Take time out from your busy schedules and see if you agree with my findings. Can you find Steven and Eliza? If so, write Merwyn Buchanan at 1733 Blue Bell Road, Blue Bell PA 19422-2117. We will put your finds in an issue of Miletsones and give you credit.

Dear Cousin:

In 1978, we published The Merwin Family in North America which showed decendants of Miles Merwin up to the tenth generation. We are now writing a supplement to carry each line down to the current generation. You, as a person in the eleventh generation, have only your name and date of birth shown in MFNA. We would like to record you and yours in the Supplement as shown on the enclosed rough draft of your entry.

Will you please give me any needed correction to this entry. We would also like to show a short biography of you and Richard — schools, degrees, occupations, employers; church, civic or military service, etc. Whatever you would like to give me.

There is no cost or obligation to you. You are a Merwin, you belong in the book.

Best regards,

Merwyn

P.S., May I have Kim's address?

Dear Cousin:

We need your help in preparing the supplement to the *Merwin Family in North America*.

Enclosed is a copy of your family's entry in MFNA. Is there any change you feel should be made? Particularly in the personal history section up-dating may be necessary.

If you have children over eighteen years of age, you will find enclosed a Merwin Family Record blank. If your child is married, please complete the family record for him or her and return it to me.

Your help is much appreciated.

Sincerely,

Merwyn

Mr. Merwin:

We would like to have a short biography of you for inclusion in volume II. Your occupation, schooling, military service, church affiliation, special activities or interests. Otherwise, we are just recording statistics and, by themselves, they are a bit dull.

Also, we would love to have you as a member of our association. The dues are a mere $2.00 a year. You will get *Milestones* and be able to keep up with our activities.

Best Regards,

Merwyn

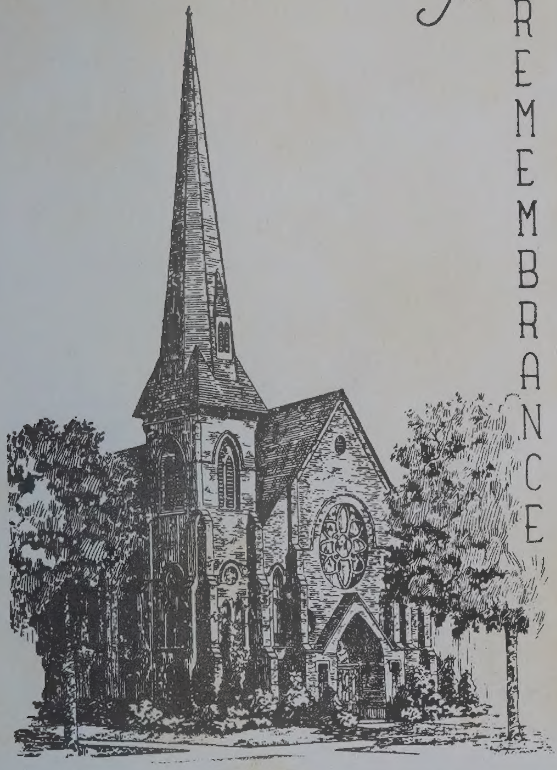
REMEMBRANCE



The Twenty-Third Psalm

The Lord is my Shepherd: I shall not want.
He maketh me to lie down in green pastures:
He leadeth me beside the still waters.
He restoreth my soul: He leadeth me in the
paths of righteousness for his name's sake.
Yea, though I walk through the valley of the
shadow of death, I will fear no evil:
for thou art with me: thy rod and
thy staff they comfort me.
Thou preparest a table before me in the
presence of mine enemies:
thou anointest my head with oil:
my cup runneth over.
Surely goodness and mercy shall follow
me all the days of my life: and I will
dwell in the house of the Lord for ever.

Dear Mrs. Dorow:

Would you please give me some personal history data (see reverse of enclosed form) so volume II will be more than mere statistics?

Also, please consider joining the MMA. Dues are a mere $2.00 per year and we can then keep you in touch with our activities.

Did you get a copy of the MFNA? I understand there are a few left.

Dear Betty and Mervyn:

Thank you sincerely for writing to me. My birthday was truly a happy occasion because of the more than four hundred greetings which came to me.

My daughters consulted church directories of years past, telephone books of a number of cities, and they borrowed my personal address book to send the letters, all before telling me about it.

My life has been blessed by many friends and I am thankful for each one.

May our Lord bless you.

I have today mailed my check to Gaius Merwin for my copies of the Merwin Family Genealogy. Thanks to you.

Enclosed is a picture of my late father, Floyd Charles Merwin, with my return address.

Members of the Merwin family may be interested in the enclosed invitation which we have sent to almost 300 friends. Their greetings will mean more than any material things to our mother. She became a good friend of Margaret Merwin Patch when she lived in Texas.

Mr. Gaius W. Merwin, Jr.
96 North Mountain Avenue

Dear Cousin Gaius,

Thank you for your cordial letter which came as a result of my careless reading of the notice for annual dues. I am herewith enclosing a check for ten dollars to cover the annual membership for my mother, Vera Merwin. She still receives mail by her married name, perhaps as a safeguard in these days when it is not wise to advertise that mostly widows inhabit a small private apartment complex.

Your own dear mother sounds like a person we would be fortunate to know, and I thank you for making me acquainted with her by long distance. I hope she is well on the coming Independence Day weekend.

When you held the annual Merwin family reunion in Detroit, I had planned to invite my mother to accompany me to that event, but she was not well enough to travel at that time. My father's relatives were born and reared in Michigan, but migrated to Florida and then to Texas before they began to rear a family. Grandmother Barbara Ann Powell Merwin, at age 23, rode alone on trains from Michigan to Florida exactly one hundred years ago to join her new husband, who had preceded her to find work as a millwright. I heard these stories many times as a child, but had to reach retirement age myself to realize how much richer I could have been had I asked more questions of "Grandma Barbie."

And if I ever should attend a Merwin family reunion, I should like to ask if the tremendous gift of humor and musical aptitude which characterized my father and his brothers (now all deceased) is characteristic of other branches of this great Merwin family. Perhaps my husband and I will attend your next, as we travel often these days. As to reunions - our own progeny now number twenty-nine, including ourselves, and that makes for a sizeable reunion of its own, when we assemble twice every year! Of course, come next Thanksgiving Day, we will have had fifty golden years to compile such a record, and we give thanks for that.

Cordially yours,

Dorothy

Is your mother living? If so, please give me her present address. If not, her date & place of death and place of burial.

Many thanks,

Dear Merwyn,

Yes, my mother still lives:

She is Mrs. F.C. (Vera Ware) Merwin (2-20-98)

She still drives her car, visits "old folks" in nursing homes, and attends all her Church's services.

Dear Cousin Tom:

Merwyn Buchanan has forwarded copies of his correspondence to you along with your letter dealing with the "balance of $48.00". According to my records, dues have been paid for your family as follows:

	To June 1	Amount Due for Year to 6/1/83
J. Thomas Blair	1983*	$ -
Martin A. Blair	1982	5
Bonita L. Blair	1982	5
Warren C. Blair	1982	5
Karen Blair Brown	1982	5
		$20

Dues were increased effective 6/1/82 to $5.00. If we apply $20.00 of the "balance" in payment of dues as above, there would be $28.00 left towards the $39.00 cost of a copy of The Merwin Family In North America. If this is satisfactory, please indicate on the enclosed form where the book is to be sent and forward it to me with a check payable to The Connecticut Historical Society for $11.00. I will have a copy sent to you promptly.

Sincerely yours,

Gaius W. Merwin, Jr.

cc: Merwyn R. Buchanan

*On 5/26/81, I received $14.00 from you for dues from 6/1/78 to 5/31/85 ($2.00 per year). To cover this year's increase in dues, I cancelled the payment for 1984-85 and took $1.00 from the 1983-84 year, applying the $3.00 to 1982-83. You are, therefore, paid in full for this year and have a credit of $1.00 for the 1983-84 year.

Dear Gus:

Here is a copy of my letter of Jan. 18, 1982 and his reply of Aug. 2, 1982. (These things do take time!).

I'm passing this on to you since this is an opportunity to get the dues straightened out for this group. By now, I guess he owes $25.00 for 1982-83 dues. I'd tell him you are applying this against the $48.00 leaving a balance of $23.00 toward purchase of MFNA. Please send him an order blank.

Best regards,

Dear Cousin Tom:

Thank you for your recent letter. Your whole family entry is now complete except I need the place of birth of Helen Muma Blair (city + state).

Your check for four memberships was for $56.00. I don't know how to apply it. The four memberships for 1981-82 is only a total of $8.00. How do you want the balance of $48.00 applied?

From the weather reports from the Mid-west, you are lucky to be visiting in Florida. We had eight inches of snow here yesterday and the weather has been unusually cold. We are looking forward to a short vacation in Florida in February.

Dear Tom:

You have been of great help to me in locating cousins and completing your family entry for the Supplement and I appreciate it.

I'm enclosing a draft of your entry as I now have it. To finish it, I must again appeal for your assistance. I have been unable to get a response to my letters to your brother, Warren, his daughter, Karen, and your son Martin.

In order to include data about their families, each of them must join our association. From the draft you can see the missing data on Warren and Karen. Also, biographies are needed on each of them.

Now, Tom, I can just eliminate the spouses and children of each of these people and consider my job done, but I do want to give them one more opportunity. If they do not join and supply the data by in end of November, I'll consider the entry complete. Hope you can get them to cooperate.

Best regards,

Merwyn

Dear Cousin:

I was both surprised and dismayed the other day when our treasurer informed me that you have not paid dues to our association for three or more years and that you are to be dropped from our membership roll.

This means that after all the information you gave me I can only show your name and date of birth in the Supplement. I must delete your family entirely.

I hope you'll send me a check payable to Miles Merwin Assn for $10.00 to allow us to reinstate you. The price is certainly low enough.

Please let your married children know that they must join to have their families "in the book." Guess it doesn't matter to them anyway. Not one of them has answered by my February letters to them.

Sincerely,

Merwyn

Dear Tom:

Many thanks for your letter dated Dec. 31, 1980. You did quite well with the data you gave me on your family. There are just a few items needed.

1) Where (city + state) did Frank Emery Blair die?
2) What is your first name? J
3) Where were you and Ola married? (City + state)
4) Where (city + state) was Ola born?
5) Where (city + state) were your children born?

Also, please give me a brief biography of you and Ola — schools, degrees, occupations, employers, church, military + civic service.

Each person listed in MFNA is entered in order the ~~oldest~~ youngest child of the youngest person is listed first starting with the 2nd generation and that order is carried down to the 10th gen. Your mother then is the 4,385th descendant of Miles Merwin. You have no number because we stopped numbering with the 10th gen. persons. In the Supplement, the 10th gen. chapter will be rewritten and 11th gen. persons will be numbered. Then persons in the 11th, 12th, 13th + 14th gens. will be numbered. I have to tell you, you will be numbered but not your children or grandchildren because the numbering stops with the children of a female Merwin. This is because our genealogy is mainly a record of the descendants of the male Merwin lines. Hope this is clear. Although unnumbered, your childrens' families will be in the record as long as your children

join our association. I shall ask each of your married children to join.

You offered to help with data on the other descendants of Chauncey A. Merwin.

Enclosed is a record sheet on Chauncey E. Merwin. Could you get the missing (encircled) data on this form for me? I also need the exact date of birth of his mother - Myrtle Iva Maybee and the city & province of her birth in Canada.

I am gradually getting answers from the children of Clyde L. Merwin.

There has been no response from the Hazel Merwin Drury family. Enclosed is what I sent her. Any help you can give me on this will be much appreciated.

Best regards,

Merwyn

Dear Alex:

It is our practice to show the present address of all living Merwins and their spouses in the Supplement. Will please give me the current address of your mother. I believe her name is Mrs. Horace K. Fox.

Also, did your brother Glenn have a middle name or is the "L" an initial only?

Your help is much appreciated.

Best regards,

Dear Tom:

Glad to see you are back in Sunny Florida for a spell.

I regret that I can not include Hazel Drury's descendants in Volume II. She is included in Chapter 10 (being rewritten in Vol. II) and I expect to finish preparation of the final manuscript by the middle of February. Therefore, I can accept no more changes.

Hazel had every opportunity to include all her descendants. On May 14, 1981, I sent her family record sheets for all her children and never got a reply. If you wish to develop the data, I'll hold it for Volume III.

To answer your question on membership, we expect people to be interested enough in our association to become members to be included in the genealogy. If they are born Merwins, they are in whether they are members or not and interested or not (if I can get the info.).

Best regards,

Merwyn

Conservation Catskill Office Gets Appointees

The State Conservation department offices in Catskill, with Carl P. Fatzinger, district director of the division of lands and forests, has announced the appointment of two professional foresters. They are Edward D. Holmes and Thomas C. Gorthey.

Mr. Holmes, a native of Massena, has a B.S. degree and an M.S. degree in wildlife management from the New York State College of Forestry. He and his wife reside in Catskill.

Mr. Gorthey, now residing in Catskill, has been with the Conservation department for the past three years in various locations in the state. Mr. Gorthey received his B.S. degree from the college in 1958.

The assistance of these two men was required because of increased work in this area. They will give technical assistance to private and industrial woodland owners under the forest practice act of 1946 which authorized a program of voluntary cooperation between the department and the woodland owners.

Finishes Week's Course At Cornell U

John F. Grant of Ashland has completed a week of instruction at the State Veterinary College, Cornell University, as part of a training program for meat inspection service by the State Department of Agriculture and Markets.

Four other weeks of specialized training are scheduled as the department prepares to take over inspection of all meat and meat products not now inspected under the federal program, or the New York City regulations or by local agencies with their own regulations.

Representatives of the Agriculture and Markets division of animal industry, the U.S. Department of Agriculture and the veterinary college participated in the week's training at Ithaca. Purpose, scope, provisions of the law and the subsequent regulations for protection of consumers of meat plus lectures on detailed procedures, equipment, responsibilities, stamping and other activities, comprised the week's study at Cornell.

All supervising veterinarians and lay inspectors of the department not only will take the Cornell instruction but will also have up to a week of orientation in a federally inspected slaughtering or meat processing establish-

Dear Cousin:

I talked to your father last night on the phone. He asked me whether our association had ever published the Merwin genealogy. I'm enclosing an order form for it since he seemed most interested and I wanted to write you anyway.

I called him for your address so that I might get you to fill out your family record sheet (enclosed) for the supplement we are writing to The Merwin Family in North America. On the back of the form, please write a brief biography of you and your wife.

Best regards,
Merwyn

Dear Mrs. Scott:

I have not received a reply to my letter of Nov. 13, 1981 (a copy is enclosed).

If you do not reply by April 15, 1982, I'll assume you are not interested in having your family entry in the Supplement and close your file.

Sincerely,

Merwyn

Dear Mr. Buchanan,

Somehow your first letter must've gotten misplaced in the great "Christmas Shuffle" we Scotts have each year.

I'm sorry I can't supply the info on my husband's service records. I hope to do it in the future.

Thanks for writing again! Betty

Dear Mrs. Scott:

As I promised last night on the phone, here is a draft of your family entry. Please give me any needed correction. I am sending John Scott a copy of this entry. Perhaps he can fill me in on Richard's service in the Navy and Army. I'd like the dates of service, where he served, grade, etc. Also, the year he graduated from high school.

One other thing I must tell you. Since Richard was not born a Merwin, you must become a member of the association to have his family in the Supplement. Please send me a check for $2.00 payable to Miles Merwin Assn. for annual dues.

Best regards,

Merwyn

Thought I would mention my predicament to you! Perhaps you could convince her to join.

Dear Cousin.

I have not had much time lately to be involved but i have a little more time now and anything i can help with i would be more than happy to. the enclosure may explain, We are fairly strong in the Pittsburg area, but the only way we can be effective is to get the orgisagtion nation wide.

there is a book in paper back called (Global Reach) If you can obtain it, i'm sure you will find it very interesting as well as disgusting.

Good luck with the family update.

Citizens Against Gasoline Inflation

(C.A.G.I)

Do you realize that oil products are number one, in our basic products and with its continued increase in price, everything we need and use will also increase in price.

Note the increase in your food, clothing, and other commodities since the cost of a gallon of gasoline has increased.

Actually the oil giants are controlling our economy and our personal lives as well as our country. They should be re-regulated.

They have manipulated and brainwashed us into thinking that there is an oil shortage.

In this over populated world today there can become a shortage of most anything that we use, but to increase a products price continually to eliminate the shortage is pure nonsense.

If there really is a shortage, rationing or other conservative means should be used, for price increase is causing more inflation.

Lets face it, once the oil companies tack the big price on gasoline, it will never come down no matter how much surplus they have or how many substitutes they formulate.

When any basic thing is priced, out of reach of the workingman pocket it will cause increased crime, financial hardships, loss of jobs chaos, and severe tension in a society such as ours.

Who the hell do these oil giants think they are fooling............

Our very jobs depend on our employers overhead, and at present his overhead for transportation and fuel is almost out of reach.

The security of our jobs are threatened with each increase.

Do you think it would be wise for all of us to trade our gas guzzlers for a small car, with these high interest rate, higher insurance rates and the price of fuel increasing steadily.

But that is only part of the sad story, for when or if you would buy the new 30 mile per gallon auto, 9 cases out of ten it is foreign made, your money leaves the country, not to be used in our economy, of which would create a slow down and more job lost.

But lets not stop here, for our 30 mile per gallon has lost its rating with continued increase per gallon.

The out dated quote, " How many miles to a gallon " must be changed with the times and quoted, How many miles for a dollar.

Example: add the increase of everything you have bought since the gasoline increased per gallon........ Do you still get 30 M.P.G. ?

Look around and check the many items of food and other commodities that have increased in price because there was a shortage, you still see them in great supply, but the price did not go down.

A new FAD, Create a shortage, increase your price and get rich.

Our constitution states, We the people,not we the government, shall form a more perfect union".

We the people must do something to help our country, and we must do it NOW.. DO NOT BUY ANY GASOLINE OR OIL PRODUCTS FROM:

It has been tough tracking you down! Finally got your address from your aunt, Mrs. Carrie Ives of East Branch, N.Y.

Enclosed is a copy of your family entry in the MFNA. Please fill in the missing (encircled) items on your mother's record sheet.

Could you forward your brother's sheet to his widow and ask her to complete & return it to me? And the same on Vicki's sheet. If, for any reason, you do not wish to forward their sheets, just give me their addresses and I'll contact them directly.

Your help will be much appreciated.

Dear Merwyn.

Margaret and i were married at St. theresa church in Trumbull, Pa on 11/19/49 - We were divorced in Feburary of 1977 - Neither of us have re married -

I send a form to Richards widow and i am sure she will respond shortly, thier oldest daughter, Susan is being married this month and i would imagine she has been very busy.

I gave David a form and you will be hearing from them soon.

I do not have the information on my fathers family as he and my mother seperated when i was very young and i lost contact with his family.

If i can help with anything, Please let me know.

Keep up the good work
J. J. Scott

Dear John;

Many thanks for the data on your fine, large family.

Just a couple of points on your family. Where (city + state) were you and Margaret married?

Enclosed is a family record sheet for David. Please ask him to complete + return it to me if he is interested.

May I have a brief biography of you and Margaret?

Please give me the full names of your father's parents.

May I have the present address of your brother ~~Ricard~~ Richard's widow? Did they have children?

Your help is much appreciated.

Best regards,

Merwyn

Please read Administrative Rule s 35.5 on back of the application for genealogical searches in regard to the standards established for furnishing vital record information for genealogical research. Then, complete the application by giving full information to locate each record requested. List each request for a record separately and state the year or years to be searched. Bear in mind your cost is determined by the number of years to be searched and the accuracy of the information you give.

The State Health Department has original records for the entire state beginning 1880 except for those filed in the City of New York and some early records filed in Albany, Buffalo and Yonkers. On back of this letter are locations of where records are on file.

If you return the application to the State Health Department, enclose $2.75 per request to cover the cost of search and an abstract or uncertified copy of the record. This fee will be applied toward the statutory fee of $2.50 per hour or fraction thereof for search time for each name submitted and .25¢ per record furnished.

Should you choose to obtain records from a local office outside New York City which will only have records of events occurring in that city, town or village, the statutory fee for searching and furnishing a record is the same as above. Also, if you are looking for a record on file with a New York City Agency, you should contact that agency for their policy and fee schedule for furnishing information for genealogy. Records on file with New York City Agencies are not under the jurisdiction of the State Health Department.
